GENERAL INFORMATION

TIME: Saturday, November 5, 1977

Sale at 12:30

LOCATION: The sale will be held in the new barn at the West Union Fairgrounds, West Union, Iowa.

LUNCH: Will be served on the grounds

1. The auctioneer will settle any disputes as to bids.

2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.

3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed he may be returned to the seller and if after a test the seller's herd he fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them.

All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they became 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to seller because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.

4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.

5. We follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "no sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "by-bid" there will be due the manager's fee. It is our hope this would discourage this practice.

6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.

7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneers, or sale manager, or call them night before the sale.

9. Auctioneers: Bob Sherrard, St. Ansgar, Iowa, and Gary Braet, Calamus, Iowa.

10. Sale Manager: David Luett, R. 1, Maquoketa, Iowa 52060. Phone (319) 652-3928.

11. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.

12. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignor.

SALE MANAGER'S COMMENT

We have a good offering of cattle in this sale including bulls ready for heavy service as well as bred cows and heifers that would make foundation stock for many herds.

Also included are many 1977 steers and heifers that should do very well for most junior projects.

In reviewing the cattle cycle this could be the right time to invest in some foundation stock.
